Famous People Of Mexican History (Mexico: Leading The Southern Hemisphere)

Synopsis

The more than 3,800-year-old history of the land known as Mexico is populated with great military and political leaders, inspirational artists and writers, and extraordinary women. This book provides biographical information about some of the most important figures in Mexico's history, including the Aztec emperors Itzcoatl, Montezuma, and Montezuma II; the Spanish conquistador Hernn Corts; the 19th century political leaders Agustn de Iturbide, Antonio Lpez de Santa Anna, Benito Pablo Jurez, and Porfirio Daz; the revolutionaries Emiliano Zapata and Pancho Villa; and artists like Diego Rivera, Octavio Paz, Carlos Fuentes, Sor Juana Ins de la Cruz, and Frida Kahlo. Their biographies show how the contributions of these famous people, and others, made Mexico the nation it is today.

Book Information

Series: Mexico: Leading the Southern Hemisphere (Book 16)

Library Binding: 64 pages

Publisher: Mason Crest (September 30, 2014)

Age Range: 12 - 17 years

Grade Level: 7 - 12

Customer Reviews

Gr 5-8-Quality in this attractive set is uneven. People, History, Cuisine and Sports are the best of the group, with clear prose and enough details to help readers understand their subjects. Others attempt to cover too many topics, resulting in dry, superficial paragraphs that are often little more than lists of places and events. Only the titles on the Mexican states have (inadequately detailed) maps, a serious flaw when all books discuss numerous locations and geographical features. These volumes have numerous colorful photos, but some look like stock images, and their subjects don't always correspond with accompanying text. Sidebars, glossaries, and reading comprehension

questions and research suggestions supplement the texts. These books are better suited to support extensive units on Mexico rather than run-of-the-mill country reports, and even for those programs, superficial coverage and map and illustration weaknesses make them additional selections.
