Henry Blackaby is an amazing and easy to understand man of God! This is a great devotional to listen to in the car. Each segment is just a few minutes long and very relational to anyone in everyday life. I totally recommend *Experiencing God* the workbook! It is a must to do at least once in your lifetime!

This is truly a great Bible study. I have grown tremendously from this study curriculum. It is very well laid out and helps you to engage in deep thought and provides great perspective.

Purchased this for a friend that commutes, they are 10 minute devotionals so he was done with them in 2 days.

material is great but voice is droning...zzz.

It's good but you don't need it for the study

to accompany the workbook. Excellent
