## Synopsis

John Sloane treasures the country seasons. In them, he finds not only renewal for his spirit, but also inspiration for his art. He hopes his paintings of simpler times and restful places, of a world free of modern distractions and bursting with the beauty of nature might inspire a love for the country seasons in everyone who sees them. A Fifty-three of John Sloane's amazingly detailed paintings of country life, none of which have appeared in his previous planners, are included in the lovely spiral-bound John Sloane's Country Seasons 2018 Monthly/Weekly Planner Calendar. Practical, as well as beautiful to look at, this calendar features ample weekly and monthly grids as well as handy pockets inside the front and back covers.

## Customer Reviews

This is a great planner. Reminiscent photos and lots of space to write your plans.

Like everything about it, except I thought the covers were thicker/harder but it is only paper thin.
