## **Synopsis**

Watch out! The Timberline twins are on the loose. Bryce and Ashley are ATV-riding tweens from Colorado who unearth action-packed mystery and adventure wherever they go. From clearing the name of a local miscreant to thwarting a gold-stealing heist, the twins' growing faith and the strong example of their parents guide them through even the most life-threatening situations. With the trademark page-turner style used by Jerry Jenkins and Chris Fabry in the Left Behind: The Kids series, these fast-paced books will keep even reluctant readers on the edge of their seats. Readers will definitely get hooked by the unbelievable cliff-hanger at the end of book one, Haunted Waters. Perfect for ages 8-12.

## **Customer Reviews**

I love mysteries and I'm a Christian so these books are perfect for me... they always point me back to Christ and how good He is. Hope my mom will keep buying the books! "In 10 years you will be the same person you are today except for the books that you read and the people you meet"

My son is 11 years old, and has read several in this series very quickly. We love that the content is trustworthy. Suspense is written well and leaves you wanting to read the next one.

Great book for my daughter. She couldn't put it down and is ready for the next one in the series.

This is the continuation of the Red Rock Mysteries. These books are Christian oriented. To my surprise my grandson likes the books. He finally has a genre he likes. He wants to read the entire series (15 books total). I have not personally read the books, I was more interested in finding age appropriate (12-13 years) books that he would read.

I loved this book, it was a great book even though I DON'T believe in god but, in conclusion this was a easy read and it just pulls you in.

This book kept me hooked the whole time; each page lead up to more surprise and suspense. I would recommend this book for children ten and older. Red Rock Mysteries is a great wonderful book that will make you want to know what happens next.

My 10 year old grandson absolutely loves this book series.

Bought for nieces birthday. She loves.
