Customer Reviews

Great scholarly edition. My only complaint is that there's a lot of wasted paper at the front of the 1st volume with footnotes about ornamentation etc. I had my score coil-bound and got rid of all of that and it's like 2 pounds lighter.

it's what was ordered

Bought for work. Don't see what's wrong with the regular red covers, but had to buy this version.

The music appears to have been put through a photocopier thrice too often. The Italian is difficult to read and the music is very tight on the page. There are no critical notes and no indication about what is editorial and what is Rossini. This edition DOES NOT contain the exciting Alidoro aria that was discovered in an Italian library to replace his rather ho-hum original. However, this is still the standard edition of the vocal score used by most opera companies and has been used for many years. It is considerably less expensive and more convenient than the two volume critical edition. If you're in the opera, this is the best choice. If you're studying/conducting the opera, get the critical edition.

This series of piano vocal scores is always high quality.

Excellent conditions!

Exactly what I needed

thanks - brilliant.
