Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the

sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution.

I have this as a gift. Recipient said it was. Very use friendly

Looking forward to seeing them

No comment.

Excellent guide, laminated and sturdy.

nice ,simple guide.

What I expected. Easy to read and it's protected.

My wife and I were very happy with the Indiana Birds! the fact that the publication is waterproof is very beneficial. Very Handy.

These State Nature Guides are wonderful! I've purchased several in the series at local state parks. They are just the right size for easy travel and have just what you're looking for. Very informative.
