Star Darlings Collection: Volume 2: Vega And The Fashion Disaster; Scarlet Discovers True Strength; Cassie Comes Through

Synopsis

Can the star darlings save their world? Lots of strange things are going on at Starling Academy, and some of the girls are suspicious. As they begin investigating, they wonder if there's any connection between Scarlet getting kicked out of the Star Darlings and Leona's troubled mission. When Vega gets sent to Wishworld, she is determined to solve the puzzle fast, but her Wisher is incredibly secretive. Scarlet watches from the sidelines as Ophelia, who is hopelessly unprepared, is chosen to go on a mission. Cassie has been dreading her journey to Wishworld since she first arrived at Starling Academy, and her assignment is even harder than she feared!

Customer Reviews

Bought this for a classroom library. Girly Girls 2nd-3rd grade love this series.

Bought this for my niece as a birthday gift! She love it!

My 5 y.o. daughter and I love this whole series!!! We are reading it together and I like the messages about friendship, teamwork, overcoming obstacles, and celebrating each person's individual strengths. Plus it is fun and girly without being too shallow or revolving around puppy love, so I feel good sharing it with her!

Great children's book and fast delivery.

Daughter loves these books.

Good

Another chapter book to go with her collection. One more to go and it will be completed. Great price and value.

Kiddo loves it!
