Complete Guide Of Lyon

Synopsis

If you are planning a trip to Lyon, you will not be disappointed. The city has many highlights. There is the beautiful area of Vieux Lyon, the sumptuous Presqu'île and the very modern Confluence. There are lush parks, long riverbanks and superb museums. And then there is the food. Lyon is the culinary capital of France and food is something the Lyonnais adore. They love eating out and they love cooking themselves. Make sure to try some traditional dishes when you visit. My name is Paul. I am a tour guide and currently living in Lyon. I love to show people around this lovely city. I hope you enjoy this quick guide of the most important highlights in Lyon.

Customer Reviews

This is not a complete guide. It is a thin book of tourist attractions. There is nothing about life in Lyon whatsoever. I am returning it. It needs to be renamed such as Complete Guide of Major Attractions in Lyon and not imply it is a standard guidebook for travelers.

Not as detailed as I was looking for. A nice overview however.

There is nothing " Complete " about this bookJust a list of buildings. No points of interest. No restaurants or markets. Nothing about the silk weavers.Very disappointing.I am sending it back.
