Black Knight: From Pushin Dope To Pushin Hope

Synopsis

Yet he did--on life time parole! However, being in the slammer hadn't taught him anything. He soon returned to his notorious crime as a terrifying, top drug lord, continuing to supply heroin on the streets of NYC. Normally it would be impossible for such a man to change. But Bobby did. His turnaround was so complete that the state governor noticed--and granted a full pardon. How could this be? Read the book to find out. Discover how Bobby got pulled into the drug scene, and what finally happened to make him want to get out. Read how his heart was gradually changed through the persistent prayer and influence of a special lady who had visited him in prison; how he was amazingly convinced by a fluke comment to enter the Teen Challenge program; how he eventually committed himself totally to God and to rescuing people from the very same streets where he had formerly caused destruction. Read and see that with God all things are possible. If God can change a man like Bobby, surely He can turn things around in your life, too. Apparently doomed to life in prison, until God brought him out ... in order to fight the very fight that almost all others turned their back on." -- George Cote "The Black Knight is riveting, inspiring and captivating. An inspirational and fascinating page turner. Hollywood take note...this book needs to be made into a movie. Black Knight proves the old adage "truth is stranger than fiction" and you have never heard a story like this one before.

Amazing real life story. What an amazing testimony of God's power to turn a life completely around, giving hope to the hopeless, and turning what the devil meant to use for death and destruction into greatness for God's glory. Amen!

A powerful true story full of honesty, hope and redemption. An easy read that brings you along for

the ride. A must read for all!

Awesome story of the redemptive work of the Father on one man's life and how that is still bearing fruit today!

Absolutely captivating

I received my copy of this book a few weeks back but didn't sit down to read it until last week. When I began reading it, I didn't know if I would enjoy it. I have never known a life of addiction to drugs so I had a hard time relating. However, with every page read, I kept wanting to know more. I am very familiar with Bobby Lloyd's accomplishments and know he is faithful servant of Jesus Christ, but I never knew his beginnings. This book was a blessing to me. It opened my eyes to a world that I know many suffer from, yet I don't know those struggles personally. I couldn't put this book down and was even late for work one morning. If it weren't for the fact that I had to work I would have read it in one day. It is very well written, eye opening, and encouraging. I am truly blessed by the testimony of Bobby Lloyd and his family.
