I'm Bernadette!

Synopsis

Bernadette doesn't know what to do when the principal, Sister Teresa Jerome, announces that her school will celebrate All Saints Day with saint costumes. That means no Halloween costumes and no princess dress for Bernadette! Everyone else is excited about finding a great saint costume. But Bernadette doesn't want to think about it. And to make things worse, her two younger brothers seem to be determined to make trouble for her at home! But with the help of her family, she's hoping to find the best saint for the first annual All Saints Day parade!

Customer Reviews

Great series. Sweet but entertaining.

Wonderful for book for second graders to read!!!! Loved it would recommend to children who attend Catholic School.

I read this aloud to my 2-year-old and 4-year-old and they loved every minute of it! Bernadette is a first grader who reminds me a lot of Ramona Quimby, and although her stream-of-consciousness seems a little too detail-ridden for an adult reader, the kids absolutely LOVED how Bernadette described things in the book. While readers of any religion will enjoy this book, I think Catholic readers will find it particularly interesting because Bernadette is celebrating All Saints Day and there are many facts

about saints within the narration of the book. My kids can't WAIT for the next book to come out!! would recommend this book as a nice one to read aloud to children from 3-5 years old, and older readers in first and second grade will find it right at their level.

My nine-year-old daughter LOVED this book! She read a chapter every night and looked forward to her reading when it was time for bed. She especially loved the illustrations by Meg Ross Whalen! And cannot wait to read Christmas with Bernadette!!! Right before reviewing this I asked her what she thought of it.... She said, "OOOh! YEAH! SUCH A GOOD BOOK!"

I really don't know how this book could get any better. The illustrations are so sweet and fun and the writing is fantastic. As a Catholic school mom I love that my daughter can identify with Bernadette and I also LOVE the way the family is portrayed - as REAL Catholics who are pious, fun, full of life, and drinking wine with supper!

This book has so many great elements. Readers will find the narrator easy to relate to, both in terms of her personality and the challenges she needs to overcome. The story is written at the perfect level for young readers, and it has a great structure and a satisfying ending. Parents and grandparents reading the book to their children and grandchildren will also enjoy the book and find the adult characters easy to relate to. And, even though the main character and her family are Catholic, I think readers from many denominations will find the book a fun, engaging read. (Side note: even though the illustrator and I have the same last name, we are not related.)

My 6 year old granddaughter loved I'm Bernadette! Parents can enjoy reading it to their children without being bored. I'm looking forward to the next book in the series.

This was such a fun book to read! My daughter is only 4, and I like the "inside view" of a 7 yr old girl's world it gives. I plan on buying copies for my Goddaughters - it would make a great First Communion gift :)
