The New City Catechism: 52 Questions And Answers For Our Hearts And Minds (The Gospel Coalition)

Synopsis

Throughout the history of the church, Christians have used catechisms—collections of questions and answers designed for memorization and recitation—to teach others the core doctrines of the faith. The New City Catechism is a modern-day resource aimed at reintroducing this ancient method of teaching to Christians today. This short book lays out 52 questions and answers related to God, human nature, sin, Christ, the Holy Spirit, and more. Whether used devotionally, recited orally, or memorized over the course of a year, families, churches, small groups, and Christian schools will treasure this as a valuable tool for teaching the core doctrines of the Christian faith to children and adults alike.

We are a homeschool family using the Classical method (lots of learning is done "by heart" in the Grammar phase) and this book fits in perfectly with our style of teaching and learning. We are accustomed to learning many subjects with a "prompt" question (i.e. Tell me about the Renaissance.) which this has - its the perfect format to add to our weekly memory work! For now, we'll be using the highlighted portions of the response answers. They are a bit shorter, but still packed with truth! In case you are wondering if you can still use this book if you are not part of a reformed tradition/church, yes you can. We are not part of a reformed tradition (we attend an interdenominational Christian church) and the only answer I am changing slightly is to question #27 dealing with election - "Are all people, just as they were lost through Adam, saved through Christ?"

Simple enough! You can also download an app that has the same info for use in quizzing/memorizing, and you can set it to "child mode" which has the shorter answers if desired. I really love this book and would highly recommend it to anyone!

Perfect! Straight forward making concepts easy for all ages.

Love everything by Redeemer! I got this just because I saw it on the Gospel Coalition, but after reading through it, I realize what a valuable resource this will be for my family in years to come. I never remember learning about these foundational truths growing up in Church. I am delighted to finally be learning concise answers (plus scripture references!) and have a tool to train my children when they get a little older.

Especially with the songs on the app, this Catechism is the mainstay for our home school this year. Grateful for this version that we can do together as a family with 7, 6, 3 and 1 year olds.

A very good tool in teaching a belief system to adults, you would want to add some creative touches to teach to children.

Going through this for family devotions. It is well written and clear. The kids seem to really grasp the concepts.

Great resource. We love how some of the answer is highlighted for younger children. My wife and I find ourselves testing each other out, because if we are going to ask the question to our son...we better have the answer!

Simple and multiple learning styles within the same book! Audio song tracks available online, can't wait to use this to learn :-)
