Carefully chosen each year through a rigorous selection process, the French villages featured in this official guide are replete with historical, architectural, and natural riches. Founded in 1982, the association Les Plus Beaux Villages de France protects and promotes the

heritage of French villages selected for their patrimonial wealth and architectural quality. They are committed to sustainable development and the preservation of rural, historical, and cultural heritage."

I have been waiting for years for this guide to come out in English. The wait was worth it. I have made it a point over the years, to visit these villages that are in this group. They have been some of the greatest highlights of the already wonderful country of France. I hope I can keep on seeing these wonderful places and maybe complete the set someday. This guide book will make it easier to select and go there. Previously I just had a Michelin map that showed where these villages were. Now the book with its maps and brief paragraphs about each village will take over.

This is the first time its been published in English and well worth the wait!

This is a beautiful book and is the first time the French guide to the "Most Beatiful Village in France" is available in English.

A wonder guide with amazing pictures that we look forward to using on our next trip in France.

Beautiful, perfect gift!

Can't wait to see some of these villages! Gorgeous!!!
