Rick Steves Snapshot Sevilla, Granada & Southern Spain

Synopsis

You can count on Rick Steves to tell you what you really need to know when traveling in Sevilla, Granada, and Southern Spain. In this compact guide, Rick Steves covers the best of Granada, Sevilla, Córdoba, Andalucía, and Spain's southern coast. With Rick's helpful hints, you'll learn how to get a reservation for the Alhambra and where to dance the Flamenco in Sevilla. You'll get Rick's firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket. Rick Steves Snapshot guides consist of excerpted chapters from Rick Steves European country guidebooks. Snapshot guides are a great choice for travelers visiting a specific city or region, rather than multiple European destinations. These slim guides offer all of Rick's up-to-date advice on what sights are worth your time and money. They include good-value hotel and restaurant recommendations, with no introductory information (such as overall trip planning, when to go, and travel practicalities).

This book is a great help with planning our trip. Wish it was available digitally.

Information was good, but just too much. It was difficult to sift through the TMI while out and about.

Typical of what we expect of Rick Steves. Covers major sites, doesn't try to cover all sites. And gives excellent pointers for travelers to prepare.

Excellent book full of all the right kind of information a traveller values 7

EXCELLENT!!

The best of Andalusia - love the churro spots.

Small and chock-full of useful information. I would not leave without it.

Sorry, still prefer Moon Publications
