Customer Reviews

This book is an amazing tool for flute players to use to work on technique. All of the etudes in the book are challenging and have specific purposes to work on specific techniques. Also, a lot of high school districts use excerpts out of this book for competitions like All Region and All State. This book really helped me improve my double tonguing technique and my sight reading skills. I would highly recommend this book to all flute players who want to pursue playing the flute as a career.

Wonderful book for any flute player. Some of the best pieces of music to play from. Great selection of more difficult tunes.

Amazing book

Well, there's nothing much to say. Its a book filled with etudes selected by Flute Master Mary Karen Clardy. Mine looks like it was brand new. No complaints. Did what I expected it to do.

Wonderful collection of etudes in all keys. Well edited.

I love this book. Most of the etudes are really difficult, though. It's a great book and worth the money.
