Shadow Of The Orc Star (Half-Elf Chronicles Book 3)

Synopsis

His parents are dead. His brother is trapped. His sister is missing. If Kealin is going to help either of them he must find Risdannia. But he is alone in a strange land with few allies. War encroaches. Kealin is torn between helping his friends and uncovering a way to save his siblings. Finding Risdannia is only a part of his journey. A powerful wizard has emerged and in his path are thousands of innocent people. With his resurrected orc hordes, he seeks to exterminate all who threaten him. But for Kealin, his every action curses those he loves to their deaths. He cannot escape his past and the true enemy may not be who he thinks.

Customer Reviews

The story just keeps getting better. In this book you get to know more characters as the author shares multiple viewpoints and adds some depth to the story. The story keeps you guessing at who or how things will unfold. Things never turn out to be easy and the challenges and tasks keep building for the poor hero.

Great read, ready for book 4 to continue story!

Lots of action it keeps you turning page's. lots of twists and turns never boring. Ready for the next book to come out. keep them coming.

I loved it want to read the next as soon as possible.... needless to say I need to know about the half blood

Never fail to impress me J.T. Williams. Thanks for all the work

This series started slow but gets a little better with each book.

I really enjoyed "Shadow of the Orc Star", there was plenty of action. I cared about the characters and didn't want my favorites to die. Is Kealin blinded by the love for his family? No matter the cost!! He assumes he knows/has heard the whole truth. But then so does a lot of the other races. I really liked Kealin's character. He's not perfect he has blinders on when he comes to wanting to save what's left of his family, no matter the cost! Kealin was told more than once by others, in one way or another: "Your self-serving desires will not fair well for the knowledge of our kind or the fate of those you care about." "In your heart and mind, you believe your path to be true, but you are cursed by darkness." Excerpts From: Williams, J.T. "Shadow of the Orc Star." "Yes, there were actual flying carpets! Vakron-Tur was willing to destroy anyone in his path, if they didn't become his allies, to destroy "the true enemy". He also believed this was the only way. I'm looking forward to the 4th book in The Half-Elf Chronicles. I'm looking forward to going back and reading Books 1 & 3. I received this book in exchange for a honest review.

Jeremy has a very enjoyable writing style -- hooks you in and doesn't let go. Well-developed characters on both sides of the conflict, enough action for anyone, and twists that will keep you on your toes make this story one for the fantasy lover. My one objection is having started in the middle of the series -- felt a bit "left out" (not much, but a little) and playing catch up. Now I MUST go back and read Books 1 & 2. :)
