Customer Reviews

I purchased the complete collection of Brother Francis DVD's for my 6 yr old son. (Yay! Confirmation was just released!) And this cd is the perfect companion to the DVD set. We would sing along with the Brother Francis songs during each episode, as they are catching and easy to remember, but now we can sing them in the car! It's wonderful! The entire Brother Francis series is an excellent teaching aid for youngsters and older people too- I've learned many things watching the videos with my little guy. If you are trying to raise your child/children in the Catholic faith, this whole series is perfect- it not only explains the 'what' we believe and 'what' we do...it explains 'why' we do it all, at a level that is easy to understand, fun and engaging. I purchased this off the Brother Francis website because I wanted it 'new'. The price was a little cheaper.
