# Jerry Baker's Year-Round Bloomers: Hundreds Of Super Secrets For The Backyard Gardener (Jerry Baker Good Gardening Series)

## Synopsis

Gardeners from the sunny south to the frigid north will learn to make their landscapes look as beautiful in January as they do in June with this handbook that reveals the secrets of how to create a vibrant, colorful garden all year round. Offering great design ideas and "old-fashioned grow-how," this guide explains how to turn an ordinary mix of flowers, ground covers, flowering trees, and shrubs into a four-season feast for the eyes without a lot of effort or expense. Organized by season, the book's easy-to-use format presents suggestions for using color to turn a garden into a brilliant palette and "Mixes and Fixes" to keep yards in tip-top shape. The "Ask Jerry" section provides answers to common gardening questions, while "Grandma Putt's Green Thumb Tips" features old-time, down-home wisdom that will make gardening a breeze.

## Customer Reviews

Jerry Baker is the author of more than 50 books, including Jerry Baker's Flower Garden Problem Solver, Jerry Baker's Giant Book of Garden Solutions, Jerry Baker's Green Grass Magic, Jerry Baker's Perfect Perennials!, and Plants Are Like People, and his gardening specials have been televised on PBS. He lives in New Hudson, Michigan.

Love Jerry Baker books & this one is NO exception!

This book covers so much about your garden you really don't need anything else. Great tips and "home" remedies for things that keep you from using poisons in your yard!

As with all Jerry Baker books, this one is loaded with information, tonics and solutions and I think it is a great book to have in your gardening reference library. The book is a great read and with the indexes you can go right to what you need to know. I highly recommend this book if you are trying to figure out what to plant for year long color in your gardens.

Just got this in the mail yesterday, I started reading it after supper. Couldn't put it down, stayed up passed my bedtime, too. It seems to have some very good suggestions/ideas and I can't wait to put the ideas, tonics, and potions to use in my new year round bloomer gardens. I love the format of the book, well-laid out and written in everyday words I can understand. Love it so far.

It a good source of information with nice pictures as long as you have time

love it

Jerry Baker's Year-Round Bloomers: Hundreds of Super Secrets for the nice book

very handy resource! We especially love the make at home remedies for gardening use..very practical!
