Customer Reviews

This book provides some great ideas for beginners and the experienced as well. I feel it gives a great idea on what combinations to use, as well as the opportunity to try pairings for your smoothie you didn't consider prior. I also like the fact that these recipes are healthy and all natural and that you can also doctor them and make them your own, adding your special touch to them and adding other healthy ingredients. This is a good book that I'd love to memorize eventually and even create new recipes of my own from. I received this item for free in exchange for my honest and unbiased review. I love this book. Super recipes

I love smoothies, and this book help me a lot in making my own smoothies. Another recipes to lose weight. If your blender makes great smoothies, you can also use these recipes. This book has a good recipes. It helps me get through the day and i really love smoothies - mostly the lose weight recipes. Two thumbs up!!!

Wanted to try different nutritious and delicious weight loss drinks? Try this Ninja Blender Recipe Book, it has a lot of simple recipes that will guide your way to your dream, lose weight and stay healthy.

I use to own a juicer that was hard to clean and it seem to take out the part that was healthy for you. So a year ago or so my son talked me into this Ninja and I did my homework liking all the features we purchased a Ninja blender. My son used almost daily and he did really good with losing weight. Now that I am able to make smoothies again I was to use good nutritious dense food to help with weight loss. The Book "A NINJA Blender Recipe: Lose weight and shred the pounds fast." I like the recipes for making smoothies with the correct proportions. Has 83 pages and 31 recipes This book helps me find a variety of recipes so I do not get bored and give up on what My goal is to lose weight.
