Coding Notes: Pocket Coach For Medical Coding

Synopsis

A DAVIS'S NOTES BOOK! Your professional coding coach at your fingertips! Increase your confidence with the expert guidance you'll find in the 3rd Edition of this easy-to-use guide. Here's all of the information you need to understand medical billing and coding procedures in a snap! It's your one-stop source for commonly used codes and categories that don't change frequently and ICD-10 references for locating codes that do. It's like having a master coder by your side showing you how to use the coding reference manuals to increase your efficiency and accuracy. Davis's Notes signature style, write-on/wipe off pages for note taking, spiral binding, and thumb tabs, make this a must-have resource that you'll rely on every day.

Customer Reviews

Very basic information, too much focus on the billing aspect (which I don't do), very easy to use.

Good for a student who wants to study on the fly, but not great as a work reference for a new coder.

I was very satisfied with the product . This is a very good resource for Coders or Students pursuing a career in coding.

Perfect condition!

Great go to guide for quick reference.

Great for references

This has everything you need at your fingertips! Easy as 1-2-3!

It's pocket sized and doesn't seem too helpful.

book smaller then expected
