Synopsis

"Katie Chin has done us all a huge favor: she's provided us with recipes for so many of the Chinese dishes we always wanted to cook but have never had clear and easy instructions to prepare. Thank you Katie Chin!" •Martha StewartHome chefs will enjoy preparing these Chinese home cooking-inspired dishes with this easy-to-follow Chinese cookbook. Author Katie Chin's love of cooking blossomed at an early age watching and later helping her renowned mother, Leeann Chin, prepare delicious Chinese dishes in her popular restaurants. Born in China, Leeann was an award-winning restaurateur and author revered for her ability to demystify Chinese cooking for the American home cook. Katie inherited her mom's passion and talent, and has become a respected food writer and television personality in her own right. Sadly, Leeann passed away in 2010, but her recipes live on. Katie is eager to share her mother's food legacy with you in this book an homage to Leeann's mastery of all that Chinese cooking has to offer. This treasury of family recipes includes many unique dishes that Leeann developed during a six-decade career in the food business, including time-honored classics that she herself learned from her mother in China. Some dishes reflect Leeann's Chinese-American childhood or are recipes which Katie and Leeann developed while together. Others are creations that Katie has developed more recently. Woven throughout the book are fond memories and anecdotes from Katie's childhood, always involving cooking and eating with her mom. Katie Chin's Everyday Chinese Cooking is a celebration of Leeann Chin's amazing mastery of the complete array of flavors and techniques in Chinese cuisine, and her unique ability to make them accessible to Westerners. Katie provides tips and techniques which allow anyone to create a refined and tasty Chinese meal at home. Favorite Chinese recipes include: Firecracker Shrimp Mu Shu Pork Peking Duck Summer Rolls General Tso's Chicken Tangerine Beef Hoisin Lacquered Ribs Tea-Smoked Sea Bass Banana Wontons Five Spice Chocolate Cake And many more. Customer Reviews

I checked out a lot of Chinese cookbooks from my local library before deciding Katie Chin's was the one I would actually use. Only then did I order from . Katie is especially good at providing clear instructions and ingredient alternatives in her recipes. This cookbook is also good for cooks who are just venturing into making Chinese meals. And fun for those who like to cook with family and friends. Most importantly, the recipes are for dishes my family will eat! We haven't ordered mediocre takeout meals since I bought this book last month. Talk about YUM. I've been very pleased with my choice.

Really easy and delicious recipes. Beautiful photos and simple to follow. I've made several dishes and loved them all. Highly recommend this book!

Looked through the book briefly. Pretty informative and recipes look authentic.

very good

:-)

Great little cookbook.

I love this cookbook! The recipes are very good and easy to follow. The best advice is to get

everything ready before you start cooking as the recipes go fast. So far we have loved everything I've tried. No more Chinese restaurants for us!!!!
