High Blood Pressure Lowered Naturally - Your Arteries Can Clean Themselves

Synopsis

As amazing as it may sound, it's true. Using an all-natural approach, you can actually lower your blood pressure and cholesterol level without drugs or surgery. This all-natural approach can even help you if you're already taking medicine for high blood pressure or cholesterol. The key is working with your doctor (never stop taking any blood pressure or cholesterol medicine without your doctor's approval) and using the guidelines outlined in *High Blood Pressure Lowered Naturally*. Based on studies from respected medical journals, the guidelines are simple and easy-to follow. This book also includes recipes, information on heart-healthy herbs, vitamins, and minerals. Clear illustrations show exactly what's going on in your heart.

Customer Reviews

We haven't had a chance to go through the whole book yet, but what we have gone through we found it very helpful.

Seller sent the product promptly and in good condition. The book shows effective steps to changing patterns of behavior. My blood pressure has already returned to the normal range in three weeks.

when i learned i had a blood pressure problem,i used this book to learn how to maintain and keep it under control,i truely recommend it to anyone,the book was shipped in excellence condition,and reach my address in prompy time promise to me.

it was okay not what I expected but learned a little

smart and good advice, but have not read whole book yet.

very helpful

Thanks

I consider this an excellent and understandable book 4 anyone interested in eating well and improving their quality of life. I have given copies to 2 people because I know this is important information that works.
