Road To Success: (Loxwood #4)

Synopsis

The new year brings with it many changes for Georgia. Still reeling from how the competition season ended, she's determined to put the past behind her and move on. But everything feels like a mistake. And while she faces the harsh realities of eventing, can Georgia also figure out what's best not only for herself, but for Loxwood too?

Customer Reviews

Road to Success: Loxwood #4 by Grace Wilkinson continues the series with a new depth of love and heartache of Georgia and her beloved horse Loxwood. The decision that Georgia had made in the last book continues to haunt her, as she works to re-instill the confidence that Loxwood had lost. It's a bitter winter, training and barn chores along with memories of horses past is taking an emotional toll on Georgia. The love of Rose's family continues to uplift her spirits, but the biggest surprise is an offer from Rose herself! A new rescue horse that "doesn't even look like a whole horse, more like a shell of one," is offered to Georgia. Does she find a renewed hope for a better life of this once well known horse enter a way into her heart? Horse shows continue, and Georgia is

singled out by an impressed James McDaniels on her handling and strong ability of riding. Maybe this is the chance that Georgia has finally been looking for...could there be a job offering as a working pupil, riding only the best horses around and being trained by such an outstanding trainer... if so, would she make the right decision to take it ?As the reader, we feel every "bump" in the saddle with Georgia, her emotional pain hurts us as we are invested along with her in the choices and the love of special horses.The ending is a completely unexpected cliffhanger and leaving us with "I've got to read the final book in this series!"

There's more than one way to do most everything . Winning isn't always measured in ribbons. And sometimes you wish you didn't learn the answer to that question .

Grace Wilkinson puts the reader in the saddle or wielding a pitchfork along with the protagonist. Nothing has been handed to her, the stories are gritty, warm and I would imagine, create quite a loyal following. I've enjoyed every book written:) Keep it up Grace!

Nice progression of the storyline. Each book gets better. Really leaves you hanging... Can't wait for the next one .

While all the books in this series are interesting, I have noticed a lot of misspelled words and the incorrect use of words. This indicates to me that there is little to none editing or proof reading.

Excellent book - loved it!
