Customer Reviews

PreSchool-K-- The introduction to the Four Questions, "Why is this night different from all other nights?" traditionally asked at the beginning of the Passover Seder, is used both to open this board book and to provide a unifying theme. Basic concepts and vocabulary are explained in simple language; full-color illustrations provide visual clarification. An excellent way to introduce the holiday to very young children. --Susan Kaminow, Arlington County Public Library, VA

Cute drawings, very simple text with very few words or real explanation. A little too simplistic except for the very youngest who wouldn't understand the mean of the story anyway.

Sweet, simple book with Tomie dePaola's illustrations which are always loved by children. Great addition to any Jewish household, synagogue library or any collection looking to cover many religions for small children. Very happy with purchase.

Very good for young children.

Sure, Tomie De Paola is a famous author. But that doesn't mean that every book is a hit. This book is a decent overview--there are no details...i.e. (The Haggadah) "tells us the story of Passover." Nu? So where is the story? OH... second to last page, where there is one sentence "We celebrate Passover to remember when Moses led the Hebrew people out of slavery in Egypt." But there is no picture that shows this exciting event!If you are only going to buy one Passover board book, make it "My First Passover Board Book" by DK Publishing.... excellent pictures, details on all aspects, and real life pictures. You can adapt it to younger kids by skipping stuff... and it still makes sense.

Great for teaching your children!

Great book for a new to Passover child!

My year old granddaughter liked the pictures.

Passover is coming up soon. So happy that I have this book ready for my granddaughter. She is really young for it this year. We will read it to her and get an early start on her for next years enjoyment.Tomie dePaola always has nice books.
