A Rumor Of Real Irish Tea

Synopsis

A twist in fortune has landed Oliver Dunn and his handler Emily at the Prometheus Institute's F Campus, where aspiring delinquents and bureaucratic red tape abound. Meanwhile, Oliver's sworn enemies, Hawk, Hummer, Honey, and Happy West, continue to chase rumors of the mysterious Altair, much to the ire of the GCA. When a stringent military general decides to end the Wests' mischief once and for all, Oliver is again enlisted to help. Together with a disgruntled classmate, a charming news reporter, and a know-it-all administrative assistant, Oliver must outsmart the Wests to restore order and his tarnished reputation in this follow-up adventure to *A Boy Called Hawk*.

Customer Reviews

More, please! What an exciting book filled with chases and near disasters and fun characters!!
thoroughly enjoyed these two books (this is the sequel to *A Boy Called Hawk*) and want to see more
of the story! Please, Ms. Stradling, do write book 3 and let us see what happens to Oliver and Emily
and the mysterious well-dressed man . . . This story does wrap up nicely with a great ending for the

West siblings, and I found it quite satisfying--so don't worry that it ends on a cliffhanger!

Brilliantly thought out future (and more than a little scary in its potential accuracy). Characters that are realistic and endearing. The protagonists may be young but the well conceived setting and beautifully executed plot is addictive no matter your age. I lost a great deal of sleep because I couldn't put this book (and its prequel) down.

Delightful plot orchestrated to keep the reader needing to turn those pages to discover the ending. Well written to keep attention while delivering some surprises. Plenty of good versus evil with no swearing or muck to wade through. I highly recommended this book.

I never read the first book, *A Boy Called Hawk*, so I had questions at the beginning about things that were going on, but it did not take long to get up to speed. What an excellent and compelling story! Brilliantly written, and very enjoyable. I highly recommend it!

I would LOVE to read more! I hope she will write a third book....

I did not see the end of the story coming! Such a great read!!

Great sequel to "*A Boy Named Hawk*". Nice to see a YA novel of this level without sexual innuendo or so-called "adult" themes, yet thoroughly entertaining throughout. Would like to see more from Kate Stradling!

I've recommended this book to family & friends. Now I'm waiting for her next book. I especially like the way it ended.
