Would you like to travel and adventure around the globe? YouÃfÂçÃ â Ñ â„d probably say, ÃfÂçÃ â Ñ ÆYes of course, but itÃfÂçÃ â Ñ â„s just too expensive.ÃfÂçÃ â Ñ â„ Well that is why J. Knight has written this book; to show you how you can travel to places youÃfÂçÃ â Ñ â„ve only dreamed of and for less than \$50 a day. It contains info for traveling overseas for very little money and has easy to follow instructions. What I enjoyed about this book is the author J. Knight will not only take you virtually by the hand and easily guide you through the steps to getting on your way, but he will also teach you things about having a great attitude and how to budget your money for your trip. I liked his saying ÃfÂçÃ â Ñ Å“Take it Easy, But Take it,ÃfÂçÃ â Ñ Â• meaning donÃfÂçÃ â Ñ â„t let your current situation get you down as well as donÃfÂçÃ â Ñ â„t tie yourself down to things that will hold you back. This is a great book for anyone who wants a great adventure. I have been to Europe but only to stay with relative there.

I'm looking forward to do some traveling with use of the tactics in this book.

This brief guide offers good tips on how a person can travel on a budget. It's geared towards single people/couple's, but there are some tips that families could employ to save money during their travels. If you're open-minded and flexible, then I think the tactics covered in this guide would allow someone to travel without spending a lot of money.

It provided me everything I needed to know about traveling abroad on the cheap, nicely laid out so that I can completely steer my travel course and destiny.

Too general not much if any new information
