# Running A Successful Photography Business

## Synopsis

Running a Successful Photography Business is the definitive business bible for every professional photographer. It is a one-stop resource covering everything you need to know to make your business a success. This handy book contains guidance on the key areas of running your business: fine-tuning your brand, attracting new clients and keeping existing ones, costing and producing shoots, professional ethics and codes of practice, contracts, preparing a business plan, operating your business effectively, legal obligations, working with agents and agencies and how to evolve and prosper in this ever changing industry. Everything a working photographer needs to know in order for their business to flourish. Written from the unique point of view of a leading photographers' agent, the author knows from first-hand experience what it takes to survive and succeed as a professional photographer. This book builds on the author's popular first book, Setting up a Successful Photography Business, aimed at those starting out in freelance photography.
