More than 85 years ago, Walter Foster—a well-known artist, instructor, and collector—began producing art instruction books from his home in Laguna Beach, CA. He originally wrote, illustrated, printed, bound, packaged, shipped, and distributed them himself. Although Walter passed away in 1981 at the age of 90, his legacy continues in a growing product line. Walter Foster Publishing now provides how-to books and kits to millions of enthusiastic artists worldwide who enjoy the rewards of learning how to draw and paint. People who have never before picked up a paintbrush or drawing pencil have discovered their artistic talents through his easy-to-follow instruction books.

Perfect

This is a must have for any aspiring artist. The instructions and numerous examples greatly simplify the otherwise complicated process of learning to draw heads and faces. The stylization and idealization of the heads and faces is also very inspiring (early to mid-1900s). I highly recommend this book. After I bought it for myself, I bought another copy for an art buddy right away.

Great

MOTHER LIKED THE BOOK THANKS

My daughter is an art major and loves drawing faces in many mediums. this is a great addition to her drawing books and helps you see different perspectives on faces in detail. It actually teaches you how to as many books just show you general steps. LOVE! especially if you are a classic movie watcher like we are. Very cool...includes men as well and accessories like hats from the 40s, 50s, etc.

Great book!!

I have always admired the classic lines of beautiful women in art and this book can help you bring back a time in your art when women were classy and beauty was more than skin deep.

I searched quite a bit for a book that taught you how to draw faces that weren't anime, which was very hard to find for me. I came upon this book at a store and fell in love with it. Each face is unique. The eyes come in different shapes and actually express. I liked how the lips of the female figures were drawn. This book is a must for people who want to get away from cartoonish drawings.
