Lessons On Faith

Synopsis

Lessons on Faith is a compilation of articles and sermons from A. T. Jones and E. J. Waggoner. The contents of this book will inspire and challenge anyone to draw closer to God. I sincerely believe that we are living on the verge of eternity. Jesus loves us and He longs to save us and end the pain and suffering that we are surrounded by on this earth. He gave His life to pay the price for our sins and now, He is working to prepare us for His soon return, restoring the relationship between mankind and God that was lost in Eden. The chapters of this book are perfect to help us prepare to meet God face to face. Are you ready for a spiritual transformation? If so, buckle up and enjoy the journey.

Customer Reviews

The first two chapters of this book are amazing. I couldn't put it down. These authors hit the nail on

the head when it comes to faith, and I think every Christian should know what faith is. This book will challenge your understanding of that.

This book is one I have read over and over. It explains the simplicity of true faith - a faith that is creative and changes a person. My whole life I've felt like something was missing in my spiritual life, and thanks to this book I've discovered what it was. It is a book that requires a lot of thought - not just something you can quickly skim through, but it is SO worth it.

Very Practical book. One every Christian should read. We know faith is essential, but not many people ever experience living faith. The Devils believe and tremble. Our faith must go beyond a mere belief. This book teaches us how to grow that living faith that is a real experience.

A roadmap for the Christian life. Here is an explanation of what it means to be a grown-up Christian. An untangling of truth from manmade traditions and opinions.

A must read for all believers. EGW - RH October 18, 1898 "Without faith it is impossible to please God. The knowledge of what the Scripture means when urging upon us the necessity of cultivating faith, is more essential than any other knowledge that can be acquired. We suffer much trouble and grief because of our unbelief, and our ignorance of how to exercise faith. We must break through the clouds of unbelief. We can not have a healthy Christian experience, we can not obey the gospel unto salvation, until the science of faith is better understood, and until more faith is exercised. There can be no perfection of Christian character without that faith that works by love, and purifies the soul.

Present Truth. This book will help God's people to become those who "have the faith of Jesus." Rev 14:12

Excellent book about what "true" faith" and "true" grace is.

All Christians should read this book to learn about righteousness by faith. This is a must read. It has the best definition of true faith.
