Logging Trucks 1915-1970 Photo Archive (Photo Archives)

Synopsis

Logging operations presented some of the biggest off-road challenges to trucks & their drivers. This collection of photos includes rugged logging trucks built on various manufacturers' chassis. Beginning with the trucks that replaced oxen in America's forests to modern rigs.

Customer Reviews

"This book's got the rough and tumble performers, many in off-road circumstances that would make the brawnies of men take note." -- Old Cars January, 1997

good info

as a person in the timber business anything timber related is good for me nice pics

took a long time getting here! good book
