Great book! Brilliant even for those who have not been based in the Pacific. Laughing out loud funny.

Funny, informative and a page turner. The writing seems honest, unselfconscious and speaks of life in a remote, exotic place from the inside.

nice book read while traveling in the Pacific. It is funny to read while talking about issues affecting these countries...

Read the reviews and decided to buy it for my holiday reading, It was so good I found I just couldn't put it down....great read very funny and why oh why would you put yourself through such an ordeal...LOL

An excellent read, again Troost has chronicled experiences of 3rd World living in an excellent manner. We have really good ideas about living the dream but it can be very difficult and at times down right dangerous, although very funny.

Great to read similar experiences to what we have gone through in the past year in Majuro. Very funny, easy read with great insights.

Witty and hilarious. Anyone who has spent time living on an island in the Pacific will be laughing out loud. Anyone who is planning to do so should read this first.

Really good.. Interesting and amusing.. Everything you want in a travel book
