Kilt Trip: Part 1 (A Scottish Highlander Historical Romance)

Synopsis

DISCLAIMER: In the tradition of Charles Dickens' *The Pickwick Papers*, *The Three Musketeers*, and *The Count of Monte Cristo*, *KILT TRIP* is a serial Scottish Highlander romance to be released in parts of approximately 50 pages each, most of which will end in cliff hangers. If you're not a fan of this format and don't like to be tortured, spare yourself. Turn back now.

Scotland, 1704

It's all about that kilt!

Acting on a dare, three English brides-to-be sneak into Scotland for a scavenger hunt, their last adventure before marriage. Mallory wants a piece of pirate's treasure, and Vivianne yearns for a love letter from a poet. But Bridget has more on her mind than the game. She knows life with her evil, blackmailing fiancé will be hellish, so she's determined to make him suffer too—by stealing a Highlander's kilt and leaving him to wonder how she acquired it. The Scots charged with finding and protecting them along the way are entirely wrong—and perfect—for the job. Rory, for instance, is a kilt-clad Highlander, but he'd rather die alone in a cave than get within ten feet of another Englishwoman. Unfortunately for him, the duty to pay his grandfather's debt will get him—and his two friends—much, much closer to the lasses than that. Come along for the ride.

Customer Reviews

I love both medieval stories and cliffhangers, and this one doesn't disappoint! The scavenger hunt is a fun and original idea. On a dare, Bridget, her cousin, and friend dress up in men's clothing and go into Scotland on a scavenger hunt. It's sort of a last hurrah before settling down into marriage with an evil Baron. Rory isn't fooled by the disguise, doesn't want them there, but honor demands he allows them into his grandfather's keep. The ruse ends with a kiss, and now all bets are off! This story is a lot of fun so far, and I can't wait to see what happens next! More, please.

I don't like serialized novels, but this one is really good. It is very clean tough. No steamy love scenes though. I miss that. This has made me laugh outloud. I have to wait now for the next one, which I truly dislike, but this story leaves you wanting to finish the story. I really would like the author to say when the next parts will be available.

This is a fun (often hilarious) start to a scavenger adventure for three English ladies as they venture into to Scotland before each are married. Bridget, Vivienne and Mallory, at the suggestion of Bridget's grandmother, set out on a quest for some last minute adventure before they are married to their betrothed. What they encounter may just be their salvation or undoing! I loved it! Ends in a cliffhanger as all good serials do! On to Book 2!

What a great and fun plot! I look forward to reading the second and the rest of the series! Lesli is wonderful in her descriptions and her ability to make the characters jump off the page!

Excellent

OK, but sequels are poor.

Nice enough story but too short.

Relaxing nice story. Happy endings.
