Customer Reviews

"The clever creators of Modern Toss have combined violence with the hugely popular trend for adult colouring books, perfectly illustrating the overwhelming surge of anger we might feel towards our fellow man/woman, and distilling it into an act of positivity." Creative Boom
"The grand masters of profanity are muscling in on the craze for colouring [with] images of utterly surreal and dumb brutality." The Guardian
"No one captures the frustrations of modern British life more acutely, or scurrilously, than Modern Toss." The Independent

The scurrilous, global cult comic Modern Toss is the work of Jon Link and Mick Bunnage. As writers,

cartoonists, and animators they've taken Modern Toss in many different directions - from challenging late night television to cutting edge advertising, and from international design magazines to greeting card racks. In 2014 a Kickstarter campaign for their 10th anniversary book 'A Decade in the Shithouse' became the UK's second biggest ever comic crowdfunding success, exceeding their target within 48 hours of going live. Their work features regularly in The Guardian and Private Eye Magazine.
