Rick Riordan is the author of the first five books in the New York Times best-selling Percy Jackson and the Olympians series: *The Lightning Thief*; *The Sea of Monsters*; *The Titan's Curse*; *The Battle of the Labyrinth*; and *The Last Olympian*. His previous novels for adults include the hugely popular *Tres Navarre* series, winner of the top three awards in the mystery genre. He lives in San Antonio, Texas, with his wife and two sons.

This book look pretty neat and I'm sure my daughter will love it, but I expected this to be a big book and it's not. It's small, about the size of a small 5x7 frame. Other than the size, the pictures inside are great. I thought it camp with a poster or map, but I didn't see one. Bummer.

Great gift book for the 8 to 12 year old reader. Pictures don't really do it justice. Santa brought this to our house this year and we're happy to have it.

My Grandson loved the book and now feels fully connected to each character in Percy's books. I have ordered it for my self so he and I can connect and also when reading to him or he discussing characters or events I can better relate.

Bought as a gift for my daughter. She loves it.

highly recommended for Percy Jackson fans

My 9 year old son loves this!

This really helped me get a more visual idea of the characters and monsters in the series. I recommend buying this.

I bought this for my daughter as a Christmas gift. She loves the series and therefore, was thrilled to receive this book. It was one she had been wanting for a while. It arrived quickly enough, was in excellent condition, and seems to have satisfied the recipient to the point where I am happy with this purchase. I would give a 5 star rating if the price was better. Not too much for a good, hard cover book, but still a lot for a smaller book.
