All-in-One Course For Children: Lesson, Theory, Solo, Book 1 (Alfred's Basic Piano Library)

Synopsis

The "All-in-One Course for Children" takes all of the pages from "Alfred's Basic Piano Library," Lesson Books 1A and 1B, plus selected pages from Theory, Recital, and Fun Solo Books and combines them into part of a sequential five-book series. At the completion of Book 5, the student will be ready to continue into Level 3 of "Alfred's Basic Piano Library" or "Alfred's Premier Piano Course." This course is most effective when used under the direction of a piano teacher or experienced musician.

Customer Reviews

I like Alfred's Piano lessons books first because they quickly put students in a 5 finger pattern that aligns with teaching scales and chords. I took one star off for this not because of the book itself, but because I bought it for Kindle (because I wanted it NOW) and thought I could print it off. WRONG!. If you want this book, be patient and order the regular book, not Kindle.

Wonderful! Would have been nice to learn theory when I was taking lessons. I think this makes much more sense as a method of teaching piano.

Just the help my grandson needed.

Didn't really like this book. There's too much going on; it jumps from theory to music with no

explanation or organization. I and my daughter's teacher abandoned it for another series. Too confusing for little kids to follow.

Great for young kids. My 7-year-old loves working through this book.

I used this book as the text to teach both my grandchildren the beginning fundamentals of the piano. Since this was my idea, not theirs, I was not sure of the outcome....the kids (8 and 9) stuck with me through the whole course and actually told their cousin to borrow the book and learn to play.

My granddaughter expressed an interest in music and has a keyboard. Unfortunately, no one in her immediate family is musically inclined. Thought I'd give this book a try. It was perfect. Between this course book and occasional visit by my granddaughter to the school music teacher, she now gives us concerts when we visit. Great course.

Teaching our 7 year old niece keyboard for the first time. She loves and even taught herself a song! Highly recommend!
