Product Dimensions: 7.4 x 11.8 inches

Shipping Weight: 1.6 ounces (View shipping rates and policies)

Average Customer Review: 3.4 out of 5 stars 3 customer reviews

Best Sellers Rank: #1,477,005 in Books (See Top 100 in Books) #79 in [Books > Science & Math > Biological Sciences > Plants > Cacti & Succulents](#) #878 in [Books > Science & Math > Biological Sciences > Plants > Trees](#) #1587 in [Books > Science & Math > Nature & Ecology > Reference](#)

Customer Reviews

It's not a good one, colors are wrong, not enough information on the card, pretty much worthless.

It's not a field guide, had to go buy one with the information I needed to figure out the different species of cactus. I don't recommend this one.

great product for the price.

Very useful, but a little small and hard for older eyes to read. The pictures are accurate and correctly colored.
