Tomie dePaola (www.tomie.com) is the acclaimed author and/or illustrator of more than 250 books for children. His books range from autobiographical stories to retellings of folktales and legends to original tales, such as the Strega Nona books. He lives in New London, New Hampshire.

Our family loves all of the Tomie DePaola "My First" series. The illustrations are bright to catch a little one's attention. The text is simple with short sentences. They provide a wonderful start for children.

As expected this book is beautifully illustrated and clearly tells the stories of Creation, Noah and the Flood and David and Goliath. I did not realize upon purchase that it only contained these three stories, but I still enjoy reading it to my son. Also, Noah on the front cover is raised, which gives a

nice 3D effect.

Tomie de Paola's stories and illustrations are spectacular. I totally enjoy the colorful presentation and sweetness of holy stories for children. I would recommend this book to anyone that enjoys reading to their children or listening to their children read and enjoy entertaining stories about faith.

Perfect for my granddaughter at bed time and for taking to church. The pictures capture her attention while the story is read. I'm so happy these Catholic books are available for the little ones.

One of my favorite Illustrators combined with bible stories -- you can't go wrong here. Love it -- I would definitely recommend it.

Love all the dePaulo books and this is a good one.

Fine stories for a very small child.
