Bach Two-Part Inventions For The Piano (Schirmer's Library Of Musical Classics, Vol.379)

Synopsis

A group of resourceful kids start solution-seekers.com, a website where cybervisitors can get answers to questions that trouble them. But when one questioner asks the true meaning of Christmas, the kids seek to unravel the mystery by journeying back through the prophecies of the Old Testament. What they find is a series of S words that reveal a spectacular story! With creative characters, humorous dialogue and great music, The S Files is a children's Christmas musical your kids will love performing.

Customer Reviews

Avoid this edition! Why? -The ornaments are written out which not only clutters the page but are usually distasteful musically and incorrect stylistically. -The fingerings are bad for students and advanced performers. -For two dollars more, you can have the sinfonias as well. Instead, buy this edition

Truly stunning human achievement. How can you not love it?

Great book and arrived on time

This book is great to be used as a warm-up and technique for advanced students. Great for finger dexterity! I use this with my advanced students.

Very excited to use this to enhance my playing skills! Well written, easy to read.

this has all the ornaments, fingerings and loud and soft interpretations

Very good collection of Bach's Two-part inventions. Excellent fingering suggestions.

Good product and good service.
