Customer Reviews

BRAND NEW Oversized Softcover - 159pp - Index - Notes - Biblio - Photos

The book is very comprehensive. I met the author a month or so ago and she told me of the years of research she had done in order to compile this history. I think this book could be used in a school setting, to teach history in a very real sense. The book was in very good condition, and I even got a bonus when I opened the book: There was a clipping from a newspaper of a review of the book!! I was very psyched to see this!!
