Spectrum Word Problems is the perfect reinforcement of the problem solving skills students are learning in the classroom and for standardized test preparation. It provides clear examples of how the math skills students learn in school apply to everyday life with challenging, multi-step word problems, skills that are essential to proficiency with the Common Core State Standards. Grade 5 Spectrum Word Problems includes practice for essential math skills, such as: real world applications; multi-step word problems; fractions and decimals; metric and customary measurement;

graphs and probability; geometry; and preparing for algebra

Very good practice at home towards assessment testing.

It was perfect! Very happy!

A good range of content. I do like the fact how they have students solve three problems based on one word problem.

Use as additional help for students who have issues with word problems

Great for refreshing ones math know how.

The kids love it

as expected

Great workbook. Keep them learning.
