2012 International Fire Code (International Code Council Series)

Synopsis

Get up-to-date on the critical regulations governing the safeguarding of life and property from all types of fire and explosion hazards with the 2012 INTERNATIONAL FIRE CODE SOFTBOUND VERSION. This newly updated resource is the ultimate reference guide for addressing fire safety in both new and existing buildings. Using prescriptive- and performance- based approaches, this guide includes coverage of general precautions against fire, emergency planning and preparedness, fire department access, fire hydrants, automatic sprinkler systems, fire alarm systems, and hazardous materials storage and use. Check out our app, DEWALT Mobile Pro™. This free app is a construction calculator with integrated reference materials and access to hundreds of additional calculations as add-ons. To learn more, visit dewalt.com/mobilepro.

Customer Reviews

New in the 2012 IFC® Key changes include: Complete reformatting into eight different parts, each correlating to a specific area of regulation. New requirements for: photovoltaic solar cells on roofs; mass notification fire alarm systems in large stadiums; portable fire extinguishers in Group A, B, and E occupancies; sub-atmospheric gas systems; and automated LP-Gas cylinder exchange cabinets. Revised definitions for health, day, and ambulatory care occupancies. Clarified automatic sprinkler protection requirements for upholstered furniture. Revised requirements for specific dry cleaning plants.

ICC is a leading organization dedicated to developing a single set of comprehensive, coordinated national model construction codes. To date, 48 U.S. states have adopted various international codes from ICC.

now i need the 2015

Thanks

Its a book, Have to have it.Relevant content for my use, Test taking.

Its a Code book, so obviously useful, but it would help to know it better.

Got what I needed.

Just what I needed.

great price

Was able to get this book for the fire inspections I do as a fire Marshall. And it cost less than going to the regular book place for fire matierals.
