## Customer Reviews

Bought this for our granddaughter. She was given the first one for her birthday and really enjoyed it. She loves this series.

This is a good book for 9-12 year olds I would say. It has some more grown up themes that a 7-8 year old might not 'get' yet.

Very nice book!!! Please Wright more books!!! I recommend it to anyone!!!!!! Best book I ever read!! I must get 3&4!!!

Download processed good. Haven't read it yet but looking forward to it

I lived this book it was a cute good story that taught me a lot and was just interesting I totally recommend this book to anyone who loves horses like me

Not as good as the first and third book says my 12 year old girl. Still liked it.

Ellis does care about dream and I love that it was so thoughtful to buy colt a horse I mean I don't know th bear is cool!

I really like it, and, for some reason, I had actually thought that the parents were having a divorce, and I was right!
