Find out Fascinating Facts about the Twelve Tribes of Israel: From the largest tribe (Judah) to the smallest (Simeon), this pamphlet is packed with fascinating facts on each of the 12 tribes of Israel. Here's just 4 quick facts about the Tribe of Judah:

- The tribe of Judah led the other tribes on their march toward the Promised Land.
- This tribe of Judah camped on the east side of the tabernacle
- the only side with an entrance (Num. 2).
- Jesus, Caleb, David, and Micah all came from the tribe of Judah.

Judah means "praise" and its symbol is the lion. (Note: This is why Jesus is known as the Lion of Judah). See the 12 Tribes of Israel Throughout the Old and New Testament As you read the unfolding history in the Bible, it's helpful to pay attention to how God worked through the 12 tribes of Israel to fulfill his purposes

- especially his purpose of bringing from the tribe of Judah, Jesus the Savior, the "Lion of Judah."

In Genesis, the first book of the Bible, we see God working through a family: Jacob and his 12 sons (who represent the 12 Tribes of Israel). Jesus came from the smallest clan from the Tribe of the Judah. In the New

Testament, he uses the Apostle Paul (a Benjaminite) to spread the gospel message to the Gentiles.

In Revelation, the last book of the Bible, we are reminded of a remnant of 144,000 people sealed by God—12,000 from each of the 12 tribes of Israel.

Great data in a small, attractive "package." I looked around for quite a while and this is the best I've found. It's hard to come by information on the symbols for the 12 tribes. This was well done.

I have found Rose Publishing to be very helpful, and illuminating on issue of the Bible and Religion in general. One cannot simply be a student of history, of any kind, and not know quite a bit about all the world's major religions- as so much of history, itself was in fact forged by religious beliefs or competing religious belief's. Simply look at the world today, the Middle East, Africa and Europe. It is simply a "clash of civilizations" again due to the diaspora created by ISIS, the ongoing and never ending war in Syria, Afghanistan and else where!! I would also highly recommend along with Rose Publishing the "Greek Quabalah" by Kieren Barry as well as Strong's "Biblical Concordance" as well as Vine's, etc...Any veteran of Iraq and Afghanistan, can simply tell you that it is a completely different world- values system, beliefs, customs, traditions, and all driven, in different ways, by religious beliefs, as well as sects within that belief system. Shari Law for example, is simply not the US Code of Federal Regulations nor the Code Napoleon- still largely utilized in France. It is basically determined by local Imam's and their own individual interpretations of various Islamic

Religious works. Compounded by the fact most of local populace cannot read nor write Arabic and is dependent on what local Imam preaches verbally!The same can be said of early Western Law and tradition, that was largely Bible based very, very early on in Western Civilization!Bottom-line: Rose Publishing pamphlets are concise, informative and time saving.

This pamphlet is a helpful guide to understanding the twelve tribes discussed in Genesis. This compact guide provides a brief look at how and why the original tribes spread around the world to begin the human story.

Given as a gift to a ex-prisoner that is going back to school and majoring in Biblical Studies

Amazing reference book. Has all the 12 tribes and supplies great detail. Great for teaching or bible study. Shipping was super fast and seller was excellent. A great buy

Good information for the price, great reference for basic facts if you don't want to get into an in depth study of the twelve tribes.

This was very informative and easy to read and understand. I would recommend this to anyone wanting to learn more about the bible.

I have read this book and it is just Ok. I learned what I needed to know. It has not changed my opinions on this subject.
