The Great Greek Cookbook: 40 Greek Recipes, Food Fit For The Gods

Synopsis

Did you know that the first cookbook ever written was by Archestratus in 350 BC? He was known as "the Daedalus of tasty dishes." Here, in *The Great Greek Cookbook - Learn How to Cook Greek Food - 40 Greek Recipes, Food Fit for the Gods*, you too will learn how to prepare tasty, simple Greek recipes. Greek food changes with the seasons. The majority of these food dishes center around fresh, healthy appetizers drizzled in olive oil and main courses seasoned with cinnamon, cloves, and allspice. But, save room for dessert! If you have a sweet tooth, then Greek food should definitely be on your menu. With a large emphasis on syrup, honey, and pastry, you will enjoy making some of the most delicious desserts ever. This Greek cookbook will teach you how to make 40 dishes, many dating back to Ancient Greece. If you want to recreate the fantastic food served in thousands of family owned tavernas throughout the whole of Greece, then look no further. The Great Greek Cookbook is divided into three easy to read food sections: Appetizers (including soups & dips), Main Courses, and Desserts. Here, beginners and seasoned cooks will find some of the tastiest recipes this side of the Aegean in *The Great Greek Cookbook - Learn How to Cook Greek Food - 40 Greek Recipes, Food Fit for the Gods!* As we say in Greece - *Kali Orexi!*

Customer Reviews

Learn how to prepare 40 delicious Greek recipes that are nutritious and easy to cook. In this cookbook with these easy steps you will learn how to make tantalizing appetizer, impressive main course and mouthwatering sweet and syrupy desserts. There are 40 delicious recipes in this book. I recommend this book.

I am totally satisfied with this book. The recipes are very easy to make and incredibly elegant. The pictures of each recipe help you a lot to get a very good idea of how your finished recipes will look.

I was disappointed that there were no "color" photos of dishes. Seemed to be a cheap print. The recipes themselves were okay.

I borrowed this book from a friend and I will definately be buying my own .
