DIVORCE: Think Financially, Not Emotionally™ Volume II: What Women Need To Know About Securing Their Financial Future Before, During, And After Divorce

Synopsis

Are you prepared for all the financial decisions you'll need to make when you divorce? In *Divorce: Think Financially, Not Emotionally*® Volume II, Jeff Landers continues the conversation he started in Volume I, using straight talk to explain important financial matters every divorcing woman needs to understand. Volume II covers a wide range of new topics, including:

- Why you might want to keep a secret fund
- What you can and cannot withdraw from joint accounts
- The financial impacts of moving out of the marital home
- The pros and cons of filing first
- How to divide stock, stock options and restricted stock
- Student loans: Are they part of marital debt?
- Ways to protect inheritances and gifts
- How being a stay-at-home mom can affect your divorce and your financial future
- Special considerations for women who earn more than their husbands
- How dual citizenship impacts divorce

And much more! The financial decisions you make both before and during your divorce will directly impact the rest of your life, for better or worse. Let *Divorce: Think Financially, Not Emotionally*® Volumes I and II help you come through your divorce successfully, so you can look ahead to a bright, financially-secure future for you and your children. A portion of the purchase price of each book sold is donated to various charities that help female victims of domestic abuse and their children.

What People Are Saying About *Divorce: Think Financially, Not Emotionally*®

"*Divorce: Think Financially, Not Emotionally*® is a wonderful guide for women seeking to secure their financial future." --Renowned divorce attorney Laura A. Wasser, whose client list includes Heidi Klum, Angelina Jolie, Christina Aguilera and other celebrities

"I wish I had this book when I was going through my divorce! It would have made the learning curve much less steep." --Sonja Morgan, star of *The Real Housewives of New York*

"I wholeheartedly applaud Jeff's efforts to support women in abusive situations." --Syndicated columnist Liz Smith

Customer Reviews

wonderful advice. depending on how rural an area you live in, your attorney may not be aware of these things. They advise a certified divorce financial advisor and there are none in my area. you should have an attorney who is confident and will not be put off or defensive about what you read and then share in this book.

Volume II continues where Volume I left off and provides detailed and essential information on all the financial aspects of divorce for women, many of which I never thought of. A lot of new and current information was added in this volume, keeping up with the ever changing times. A terrific and informative read!

very good advice, but it boils down to what the ex is willing to admit what you were worth, in my case, nothing. So women I would immediately put yourself first, don't ever think it will NOT happen to you. I thought that for 35 years. lol

Divorce: Think Financially, Not Emotionally Volume II is a wealth of knowledge that can give you calmness and strength in navigating the financial part of life. No matter where you are in life or what circumstance. Reading Volume I gave a foundation to Volume II. I will be looking forward to any future books by this author

Fantastic! Both Vol 1 and 2, are Mandatory reading for any woman who has ever had the word divorce enter her mind! I am awaiting the next book on investing. Kimberlee

This book has valuable insight on a subject I thought I would never need! It has empowered me with knowledge and a stronger mind-set. I have post-it notes throughout the entire book and plan to read them to my lawyer and/or CPA!

Brilliantly written. So much valuable info. So many things to consider. I was well prepared when speaking to the lawyers. A must read for anybody who is preparing for a divorce.

Both volumes are a must for women who are going through or think they might be going through a divorce in the future. Great resources as is the website.
